SYSTEMS AND VACCINES

Attorney Docket No.: 7682-045-999

**SUPPLEMENTAL RESPONSE**

**RECEIVED**

Assistant Commissioner for Patents  
Washington, D.C. 20231

JAN 1 0 2003

TECH CENTER 1600/2900

Sir:

To supplement the Amendment filed by Applicants on September 5, 2002 ("Response") in connection with the above-identified application, please consider the Remarks below.

**REMARKS**

A Petition to Accept Unintentionally Delayed Claim for Priority under 37 C.F.R. § 1.78(a)(3) was submitted concurrently with the Response. This petition was dismissed by the Office of Petitions on December 3, 2002. The dismissal states that the provisions of 37 C.F.R. § 1.78(a)(3) do not apply because the present application was filed before November 29, 2000.

A continued prosecution application was filed on December 15, 2000. 37 C.F.R. § 1.78(a)(2)(i) exempts continued prosecution applications from further provisions of the rule. Thus, a petition to accept an unintentionally delayed claim under 37 C.F.R. § 1.78(a)(3) and the surcharge under 37 C.F.R. 1.17(t) are not required in a continued prosecution application in order to amend a claim to priority. Accordingly, the amended claim for priority submitted on September 5, 2002 should be made of record in the instant application.

No fee is believed to be due for the submission of the present Supplemental Response. Should any fee be required, however, please charge such fee to Pennie & Edmonds LLP deposit account no. 16-1150.

Respectfully submitted,

Date January 8, 2003
